Subject: Public Hearing Request for Lahaina Injection Well Permit

Dear Ms. Rumrill,

I am writing as a Maui resident to request EPA to hold a new public hearing on the Lahaina Injection Well permit and also request the opportunity to testify at that hearing. I am the administrator of the Maui Nui Marine Resource Council, but don't get to vote, so I'm submitting it separately. I am also a member of the DIRE coalition, which submitted lengthy comments to you, and with which I agree.

Mahalo,
Rene Umberger
